

ADVISORY BOARDS

ADVISORY COMMITTEES

Advisory Committees are an integral part of the development, review and revision of programs and curriculum at the College. Participating members from the community provide valuable insights into trends and needs in business and industry. The input from these committees provides the student with quality, up-to-date instruction as s/he pursues his/her educational goals. Members of the 2005-06 Advisory Committees at the College are as follows:
