

20302 Coordination, Cooperation and Communication Among College Units

The College President shall develop an administrative plan for the College's operation which assures maximum coordination among all elements of the College.

In carrying out their responsibilities, administrators are expected to operate in accordance with College policies enacted by the Board and procedures established by the President. When policies or procedures seem to impede desirable action, appropriate changes should be recommended to the College President.

(Amended 11/20/84)
