

30201 Hiring Instructors From Outside the Community

The Board urges the College to make full use of the community resources and individuals with broad expertise in many occupational areas in the College service area in hiring instructors and delivering instruction. Instructors from outside the community shall be selected on the basis of the most suitably qualified candidates available, and shall promote the College's goal of valuing diversity.

(Amended 11/20/84; 12/17/96; 07/22/14)
