PREAMBLE

This Agreement is by and between The Metropolitan Community College Area and Local Union No. 571, International Union of Operating Engineers, AFL-CIO.

This Agreement has been entered into by and between The Metropolitan Community College Area, hereafter referred to as the Employer or the College, and Local Union No. 571, International Union of Operating Engineers, AFL-CIO, hereafter referred to as the Union. This Agreement has as its purpose the promotion of harmonious relations between the Employer and the Union, the establishment of an equitable and peaceful procedure for the resolution of differences and the establishment of wages, hours, and other terms and conditions of employment.

ARTICLE I RECOGNITION

In accordance with the Resolution adopted by the Employer's Board of Governors on June 27, 2000, the Employer recognizes the Union as the exclusive collective bargaining representative for the computer and network support staff unit of employees of the Employer, which bargaining unit of employees is defined as follows:

Full-time and regular part-time computer and network support staff employees, including Network Engineer Technicians, Computer Operators, Network Cable Technicians, Visual Arts Network Analyst Technician, Telecommunications Technician, IT Specialist I, IT Specialist II, IT Analyst, Senior IT Analyst and Web Developer, but excluding the positions of Computer Lab Specialist, and all other positions, and further excluding irregular part-time, supervisor, managerial, confidential and security officer (guard) employees as defined by law.

At present, the unit includes employees in the following classifications:

- Computer Operator
- IT Analyst
- Senior IT Analyst
- IT Specialist I
- IT Specialist II
- Network Cable Technician
- Network Engineer Technician
- Telecommunications Technician
- Visual Arts Network Analyst Technician
- Web Developer
- Technology Delivery Support Specialist

The College will inform the union within ten (10) College working days of its decision to alter existing position titles and duties.

The College will inform the Union when a new hourly non-supervisory position within the Union area is approved. All parties, including other bargaining units where applicable, will meet to consider whether a new position should or should not be a part of the bargaining unit.

ARTICLE II NON-DISCRIMINATION

Neither the Employer nor the Union will interfere with, restrain or coerce any employee covered by this Agreement because of membership or non-membership in the Union, or because of activity or refusal to engage in activity on behalf of the Union. The Employer will not discriminate in respect to hire, tenure of employment or any term or condition of employment against any employee covered by this Agreement because of membership in or activity on behalf of the Union, nor will it discourage or attempt to discourage membership in the Union.

Neither the Employer nor the Union shall unlawfully discriminate on the basis of race, color, national or ethnic origin, religion, sex, sexual orientation, marital status, age, pregnancy, parental status, veteran's status, citizenship, or disability against any applicant or employee.

ARTICLE III UNION RIGHTS

The Union may designate employee(s) within the bargaining unit to serve as a Union Steward. Duties and responsibilities related to being a Steward are the responsibility of the Union.

The Union shall furnish the Employer's Associate Vice President of Human Resources, or his/her designee, and the Employer's Director of Labor Relations/General Counsel, or his/her designee, a list of Stewards and/or Union representatives and alternates, and shall, as soon as possible, notify said officials in writing of any changes thereto.

There shall be no deduction from the pay of a Steward when directly involved in meetings with management relating to the administration of this Agreement during the Steward's regular working hours. A Steward shall not be entitled to pay when working on such matters outside his/her regular working hours.

Designated Union representatives shall be permitted to visit employees on job sites and at department buildings during working hours (but not during the employee's working time) for the purpose of the administration of this contract, so long as the Union representative does not interfere with the timely and proper completion of the employees' job duties.

The Steward or Union representative will be allowed to accompany an employee to meet with the Employer during regular working hours for the purpose of grievance review and dispute resolution involving employees, under the following conditions:

Notice must be given to the immediate supervisor and the College's Director of Labor Relations/General Counsel at least three (3) hours in advance when possible, that a Steward or Union representative will be accompanying an employee to meet with the Employer during regular working hours for the purpose of grievance review and contractual dispute resolution involving employees, under the following conditions:

1. That the Steward has officially been designated as such by the Union.
2. Only the designated Steward shall be excused for participation in grievance and/or dispute resolution meetings.

Union's Use of Bulletin Board and College Mailboxes

The Union may use the College mailboxes, bulletin board spaces and electronic communication media designated by the College President subject to the following conditions:

1. All postings shall be on approved bulletin boards and shall conform to all College policies now or hereafter adopted which govern the general use thereof, shall be identified as a publication of the Union and be signed by the President or other authorized officer of the Union with his/her verification that it is an authorized statement, release or publication of the Union.
2. The Union will not post or distribute information which is derogatory or defamatory of the College Area, its curriculum, any member of its student body or any of its personnel.
3. No College bulletin board space, electronic communication or other facility may be used at any time to communicate any endorsement of, support of, or opposition to any ballot issue or candidate for public elective office.

In the event of a breach of the foregoing conditions of this paragraph, the privileges herein given are subject to immediate suspension by the College Area President for a period of time not to exceed one College quarter. The College Board of Governors may revoke the privileges herein provided for in the event of recurring infractions.

The Union may use College facilities for meetings of College employees upon approval by the President or his/her designee.

ARTICLE IV MANAGEMENT RIGHTS

The management of the College, the establishment of policies and the direction of the working forces shall be vested solely and exclusively in the employer, except as specifically limited by the express written provisions of this Agreement. This provision shall include, but is not limited to, the right to determine the quality and quantity of work performed; to determine the number of employees to be employed; to assign and delegate work; to require observance of College rules, regulations, and other policies; to schedule work; to enter into contracts for the furnishing and purchasing of supplies and services; and to decide qualifications of employees consistent with applicable Federal and State laws. Managers will be allowed to perform bargaining unit work on a limited basis for purposes of training or in cases of emergency, so long as bargaining unit employees are not laid off.

ARTICLE V GRIEVANCE PROCEDURE

Any complaint, disagreement, or difference of opinion between the College and the Union (or any employee covered by this Agreement) concerning the application or interpretation of the terms of this Agreement, Board Policies, or Procedure Memorandums may be the subject of a grievance under this grievance procedure. A complaint, disagreement or difference of opinion concerning any matter not specifically provided for by the terms of this Agreement, Board Policies, or Procedure Memorandums shall not be subject to this grievance procedure.

Any issue that may otherwise be subject to the grievance procedure of the Agreement, but is also covered by Procedure Memorandum VI-34 ("Equal Employment Opportunity"), shall be addressed through the procedures set forth under Procedure Memorandum VI-34, and shall not be grieved under this Agreement.

A grievance may be presented by any Employee covered by this Agreement or by the Union. Any grievance shall be forfeited and waived by the aggrieved party if not first presented in accordance with the terms of this Article within twenty (20) calendar days following the occurrence(s) giving rise to the grievance.

A. STEPS IN THE GRIEVANCE PROCEDURE

1. STEP ONE (Informal Discussion with Immediate Supervisor): The grievant shall first discuss the grievance orally and in person or by telephone with the grievant's immediate supervisor. This shall be a personal discussion between the grievant and the grievant's immediate supervisor. If the Union is initiating the grievance, the discussion shall be between the Union's Business Representative and the College's Director of Labor Relations/General Counsel.

2. STEP TWO (Written Grievance to College's Director of Labor Relations/General Counsel): If the matter is not satisfactorily resolved within the ten calendar days after the discussion at STEP ONE, the grievant may present the grievance in writing to the College Director of Labor Relations/General Counsel. The grievant must file the written grievance in the office of the College's Director of Labor Relations/General Counsel within ten (10) calendar days after the decision at STEP ONE or, if there was no timely decision at STEP ONE, within ten (10) calendar days after the expiration of the time allowed for decision at STEP ONE. The written appeal to the Director of Labor Relations/General Counsel shall include and recite:
- a. A clear and concise statement of the grievance, including the circumstances and persons involved,
 - b. The date of the discussion at STEP ONE,
 - c. A summary of the decision rendered at STEP ONE,
 - d. A reference to the specific provision(s) of this Agreement, Board Policy, or Procedure Memorandum allegedly violated or involved, and
 - e. The specific remedy sought by the grievant.

Except as provided in subparagraph B.2.d. of this grievance procedure, no appeal shall be denied or disallowed because one or more of the statements, documents or items listed above are missing from the filed written grievance.

The written grievance may be signed by the Union but must also be signed by each employee seeking a remedy by the grievance.

The College's Director of Labor Relations/General Counsel may hold such conferences, meetings or hearings, and/or discuss the matter with such persons or witnesses, as he or she believes may be helpful in understanding or resolving the grievance. Except as provided in subparagraph B.2. or B.6 of this grievance procedure, the College's Director of Labor Relations/General Counsel shall render a written decision on the grievance within twenty-one (21) calendar days after receiving the written appeal.

3. STEP THREE (Written Appeal to College President): If the grievance is not satisfactorily resolved within the time allowed for decision at STEP TWO, the grievant may appeal the decision of the College's Director of Labor Relations/General Counsel to the College President. The grievant must file the written appeal in the office of the College President within ten (10) calendar days after the written decision at STEP TWO or, if there was no timely written decision at STEP TWO, within ten (10) calendar days after the expiration of the time allowed for decision at STEP TWO. The written appeal to the College President shall include and recite:
- a. A clear and concise statement of the grievance, including the circumstances and persons involved,

- b. The date of the discussion at STEP ONE,
- c. A summary of the decision rendered at STEP ONE,
- d. A copy of the written grievance filed at STEP TWO,
- e. A copy of the decision at STEP TWO (if there was one),
- f. A reference to the specific provision(s) of this Agreement, Board Policy, or Procedure Memorandum allegedly violated, and
- g. The specific remedy sought by the grievant.

Except as provided in subparagraph B.2.d. of this grievance procedure, no appeal shall be denied or disallowed because one or more of the statements, documents or items listed above are missing from the filed written appeal.

The written appeal may be signed by the Union but must also be signed by each employee seeking a remedy by the grievance.

The President may hold such conferences, meetings or hearings, and/or discuss the matter with such persons or witnesses, as he or she believes may be helpful in understanding or resolving the grievance. Except as provided in subparagraph B.2. or B.6. of this grievance procedure, the President shall render a written decision on the grievance within fourteen (14) calendar days after receiving the written grievance. The decision of the College President shall be final under this Grievance Procedure.

- 4. If the grievance is not resolved to the satisfaction of the grievant after the grievant has exhausted the foregoing STEPS ONE through THREE, the grievant may pursue such legal action as the grievant may deem appropriate in any court or agency having jurisdiction over the matter.

B. MISCELLANEOUS

- 1. Representation. At STEPS TWO and THREE of this grievance procedure, any grievant may be represented by himself/herself or, at his/her option, by one attorney or one other representative of his/her own choosing. Any such representation shall be at grievant's own expense. When the chosen representative is the Union, the Union shall receive copies of all decisions and notices affecting the case. When the chosen representative is an attorney-at-law, the grievant may also have a Union representative or one other non-legal representative present at any STEP at which the College's representation will number two or more. If not otherwise present and chosen by the employee to represent the employee, the Union shall nevertheless have the right to have its representative present at all meetings and conferences with the grievant at STEP THREE to represent or co-represent a grievant-employee.
- 2. Time Limitations. The following rules shall govern as to time limitations:

- a. Extensions of Time. The time limitations specified for either the grievant or the College may be extended by written mutual agreement. Such extension of time on the part of the College Area must be approved by the Director of Labor Relations/General Counsel, or his designee, for STEPS ONE through THREE.
 - b. Effect of Failure to Grieve or to Appeal within Time Specified. Failure to raise a grievance within the time prescribed shall be considered a waiver of the grievance. If a decision at any STEP is not appealed to the next STEP of the procedure within the time limit specified, the grievance shall be determined settled on the basis of the last decision rendered.
 - c. Effect of Failure to Respond within Time Limit. Failure at any STEP of the grievance procedure to initiate communication of a decision to the grievant within the specified time limit shall permit the lodging of an appeal to the next STEP of the procedure within the time which would have been allotted had the decision been communicated on the final day specified therefore.
 - d. Documents, Statements or Items Missing from Grievance or Appeal. At STEPS TWO and THREE, if any document, statement or item specifically required by this grievance procedure to be included in, provided with or filed with the grievance or appeal is not so included, provided or filed, the College official who is to act on the grievance or appeal may by electronic mail or oral communication request the grievant to provide the missing document, statement or item to the official. If the grievant fails to provide the document, statement or item to the official within four (4) working days after such request and does not communicate to the official an adequate reason excusing such failure within such four-day period, the official may deny the grievance or appeal. If the grievant does provide the document, statement or item to the official within such four-day period, the time allowed for the official to issue his or her decision on the grievance or appeal shall be extended by four (4) working days.
3. Avoiding Interruptions. This procedure shall not be construed to permit interruptions of classroom or other College activities or to authorize the involvement of students at any STEP of the procedure. In circumstances where the only witness(es) available to prove or disprove the existence of a fact is a student(s), then in such a case the student(s) may be a witness.
 4. Informal Discussion. Nothing contained herein shall be construed as limiting the right of the grievant at any time or at any level to discuss the matter informally with the appropriate supervisor/administrator of the College and have the grievance informally adjusted.
 5. Hearings and Conferences Closed. All conferences, meetings and hearings under this procedure shall be conducted in closed sessions and shall include

only the person conducting the conference, meeting or hearing, the grievant, the grievant's designated representative(s), personnel of the College Area who are involved, witnesses, and the College Area's representative(s).

6. Time Extended by Reason of Hospitalization. If, on the date that a grievance must be lodged, an appeal taken or the response or decision of an administrator (including an immediate supervisor) must be made, the person required hereunder to act is hospitalized, then the prescribed time for taking such action shall not be deemed to have commenced to run until the day following the last day of his/her hospitalization.
7. Administrative Designees. During such times as any administrator (including an immediate supervisor) is unable or unwilling to perform his or her duties under this grievance procedure, the administrator may designate someone of equivalent or higher managerial level in his/her place and stead to do all things required to be performed by him/her under this grievance procedure.
8. Costs. The grievant shall pay his/her/its own costs and attorneys' fees or other representation fees and the College Area shall have no liability in respect thereto. Similarly, the College Area shall pay its own costs and attorneys' fees or other representation fees and the grievant shall have no liability in respect thereto.

ARTICLE VI DUES – CHECK OFF

Section 1. The Employer shall deduct Union dues from the pay of each employee covered by this Agreement; provided, that at the time of such deduction there is in the possession of the Employer a current and unrevoked written assignment, executed by the employee, in the form and according to the terms of the authorization form attached hereto, marked Appendix A, and made a part hereof. Such authorization may be revoked, in the manner set forth in Section 3 of this Article, by the employee at any time by giving written notice thereof to the Employer. The Employer shall deduct such dues from the pay of employees who have executed such assignments and remit such withholdings to the Union on a semi-monthly basis. Such withholdings shall be remitted to the duly designated Union official by the Employer within ten (10) calendar days following the issuance of pay warrants for the pay period respecting which the Employer, at its option, elects to deduct such withholdings in accordance with the foregoing. The Union shall advise the Employer in writing of the name and address of the designated Union official to whom the Employer should remit amounts so withheld.

Section 2. Previously executed and unrevoked written check off authorizations shall continue to be effective respecting employees reinstated or returning to work following layoffs, leaves of absence, and suspension not exceeding six (6) months. Previous authorizations of other employees rehired or reinstated shall not be considered to be

effective. If an employee is on any form of paid leave of absence, the Employer shall continue to withhold Union dues during such absence unless the assignment respecting the same has been or is revoked in the manner provided in Section 3 of this Article.

Section 3. Written revocations of check off authorizations shall not be effective unless received by the Employer's Payroll Department at least two (2) weeks prior to the first pay date upon which such revocation is to take effect.

Section 4. At the time of execution of this Agreement, the Union shall advise the Employer in writing of the exact amount of regular monthly Union dues. If, subsequently, the Union requests the Employer to deduct additional monthly Union dues, such request shall be effective only upon written assurance by the Union to the employer that the amounts requested are regular monthly Union dues duly approved in accordance with the Union's constitution and by-laws.

Section 5. The Employer agrees to provide this service without charge to the Union.

Section 6. The Employer shall not be liable for the remittance or payment of any sums other than those constituting actual deductions made. If for any reason the Employer fails to make a deduction for any employee as above provided, it shall make such deduction from the employee's next pay period in which Union dues are normally deducted, but only if written notification by the Union has been given to the Employer in time to permit such deduction. If the Employer makes an overpayment to the Union, the Union will refund said amount to the employee. If the Employer inadvertently makes a dues deduction from the pay of an employee who has not authorized said deduction or who has revoked said authorization in accordance with Section 3 of this Article, the Union agrees to refund said deduction to the affected employee or the Employer, on demand. The Union agrees to indemnify and hold the Employer harmless against any and all claims, suits, orders, judgments, losses or liabilities arising as a result of any action taken or not taken by the Employer under the provisions of this article.

ARTICLE VII NEW EMPLOYEES

The Employer will notify the Union of new employees via email.

ARTICLE VIII COLLEGE POLICIES AND PROCEDURES

The College's policies and procedures not in conflict with this Agreement, now in force or hereafter adopted, shall be observed by all employees. The College will notify the Union, within three weeks, or sooner if possible, of any changes and will notify the employees of changes. College policies and procedures can be found on the College website at <http://www.mccneb.edu/procedures/> and at <http://mccneb.edu/bogpolicies/>.

ARTICLE IX JURY PAY/ELECTION DUTY PAY

The Employer agrees to give full pay to an employee called for jury/election duty, providing the employee turns over his/her jury/election duty pay to the Employer. On days that they are not actually serving on the jury or election duty, employees are expected to report for their regular work shift and return to the job if the College work day is not completed.

ARTICLE X ANNUAL LEAVE FOR REGULAR FULL-TIME EMPLOYEES

Regular full-time employees accrue annual leave at the rates given in the tables below.

A leave request must be completed by the employee and approved by the supervisor via KRONOS.

<u>Months of Service</u>	<u>Hours Per Month</u>	<u>Days Per Year</u>
0-36 Months	8	12
37-60 Months	10	15
61-120 Months	12	18
121 or more	14	21

Employees will be paid for their accrued, unused annual leave upon separation from employment with the College.

During the annual period for bidding for vacation time pursuant to Article XXI (January 1 through January 15), employees may not bid for dates that fall within a quarter break. If it is determined by management that one or more individuals or classifications of employees will not be involved in special projects during any quarter break, or after said quarter break, then employees within said classification(s) may request to utilize annual leave during that quarter break pursuant to the provisions for requesting annual leave outside of the annual bidding period. Annual leave requested pursuant to this paragraph will be awarded on a first come first served basis and according to the needs of the department.

For all other vacation requests after the annual bidding process: Employees will be notified in writing as soon as is reasonably possible as to whether the vacation request has been approved or denied, but no later than seven (7) calendar days after the request is submitted. If not notified within seven (7) calendar days the employee shall check with their supervisor, and if they don't get a response within three (3) days they shall direct their request to the next level supervisor.

The College may change the method of calculating Maximum Carry Over Accumulation so that employees will no longer accumulate more than the 280 hour (35 day) maximum carry over at any time during the year if: (1) the College makes such a change for administrative non-bargaining unit employees; and (2) the College provides a mechanism for employees to get to 250 hours of accumulation prior to implementation, including but not limited to, forcing employees to use annual leave. If the change in accumulation described in this paragraph is implemented, and if any employee remains above 250 hours, those hours above 250 hours will be subject to a one-time buy back by the College at the employee's then effective hourly rate.

ARTICLE XI HOURS OF WORK FOR REGULAR FULL-TIME EMPLOYEES

The following provisions are descriptive of the usual hours and conditions under which overtime is payable. Nothing in the Agreement shall be construed to be a guarantee or limitation of the hours to be worked per day, per week, or any other period of time.

With the exception of IT Specialist I, the College shall maintain a working schedule that provides no employee starting time begins prior to 6:00 a.m. or ends after 7:00 p.m. The College may establish working hours for the IT Specialist I position that extend during the hours the College is open. Nothing in this paragraph shall be interpreted to limit management's right to temporarily or permanently change hours / location after the initial establishment of hours pursuant to this Article and Article XXI of this Agreement.

For all full-time positions, the basic workweek shall consist of forty (40) hours, five (5) consecutive eight and a half (8 ½) hour days or four (4) consecutive 10 and a half (10 ½) hour days. Hours worked shall be consecutive, exclusive of one unpaid thirty (30) minute lunch period and two (2) 15 minute break periods, one (1) during the first four (4) hours of work and one (1) during the last four (4) hours of work. With the approval of the supervisor, a consistently scheduled lunch period could be an hour if it is within a nine (9) hour day. In such a schedule the regularly scheduled day is: eight (8) hours work, one (1) hour unpaid lunch. Management reserves the right to change these hours for a new or vacated position or pursuant to Article XXI of this Agreement.

Temporary Changes to Hours:

The hours set forth above are the hours set for the beginning date of this contract and may be altered temporarily under this Article or permanently under Article XXI of this Agreement.

The College may make temporary changes to any non-vacant shift location and/or shift working hours/days. The College shall give the affected employee(s) 48 hours notice prior to any temporary shift change under this Article.

For purposes of this Article, a “temporary change” shall mean any change of four consecutive weeks or less.

In emergency situations, employees may be called in to work pursuant to the call-in provisions of this Article without 48 hours’ notice.

Employees shall be allowed to request a temporary shift change with 48 hours prior notice.

Overtime

Employees shall be paid 1½ times their regular rate of pay for all hours worked in excess of forty (40) hours in any week. Hours worked contiguous to an employee’s shift are not considered call-in. Overtime shall be paid by the following pay period after the hours were worked. The following will be considered as hours worked: Annual Leave, Holidays, Jury Duty/Election Duty, and Bereavement Leave.

Authorization of Overtime

All overtime must be authorized and approved in advance by the employee’s supervisor. Opportunities to work overtime shall be distributed as equally as possible among employees within the same classification having similar abilities and expertise. There shall be no pyramiding of overtime pay.

Call-In

When an employee is called in to work during his/her off duty time and such called-in time does not merge with his/her regularly scheduled work hours, such employee shall be paid a minimum of four (4) hours pay at 1½ times his/her regular rate of pay. The four (4) hours includes one hour for travel time. If the employee works more than three (3) hours, the employee shall be paid for actual hours worked plus one (1) hour of travel time. When an employee is called in to work during his/her off duty time and such called-in time does merge with his/her regularly scheduled work hours, the employee will be paid in accordance with the overtime provisions of Article XI and no travel time will be paid.

Inclement Weather Closing

Bargaining unit employees will be governed by the same inclement weather closing policy as other College Staff. If the President or his/her designee declares the “College closed,” employees who are required to report or remain at work, or are called-in during such a closing shall be paid double-time for all hours worked.

Closure of Campus or Center

If the President, or his or her designee, declares that an entire College campus or center is temporarily closed due to reasons other than inclement weather, bargaining

unit employees who are required to report to or remain at said campus or center, or who are called in pursuant to provisions in this Article, during such a closure, shall be paid double-time for all hours worked while the campus or center remains closed.

Varying Work Schedule

The Employer may agree to vary an individual's work schedule to allow the employee to take courses intended to improve the employee's work performance or increase the employee's work-related skills, such as trade school classes.

College Holidays

In the event that an employee is required to work on a holiday, the employee will receive compensation at double the straight time hourly rate for a minimum of two (2) hours or for the actual hours worked if more than two (2) hours on the holiday, plus holiday pay. An employee called in or scheduled to work on a holiday is compensated under this Holiday pay provision (Article XI) and not the Call-in pay provision (Article XI).

ARTICLE XII COMPENSATORY TIME

Accrual of compensatory time-off may be approved in lieu of payment for overtime worked at the sole discretion of the College. All efforts will be made to have a mutual agreement between the employee and the supervisor regarding the utilization of compensatory time in lieu of overtime. However, if there is no convenient time for the employee to take compensatory time-off in the future without requiring another College employee to work overtime as a replacement, payment should be authorized immediately for overtime hours worked. Payment for overtime hours worked in lieu of accrual of compensatory time may also be authorized for other reasons as determined by the appropriate Cost Center Manager. If compensatory time-off accrual is allowed in lieu of payment, one and one-half (1 ½) hours of compensatory time-off shall be allowed for each one-hour of overtime work.

At the discretion of the College, employees in this bargaining unit may accrue up to 120 hours of allowed compensatory time-off.

An employee who has accrued compensatory time-off may request to use the accrued time-off in the same manner that is used to request to use accrued annual leave. However, such time shall not be considered as time worked when computing overtime. The employee shall be allowed to use such time within a reasonable period after making the request if the use will not unduly disrupt operations.

When an employee ceases to be employed by the College for any reason, voluntarily or involuntarily, or through death or retirement, the employee shall be paid for all unused compensatory time-off at a rate which is the higher of:

1. The average regular hourly rate received by the employee during the last three (3) years of his or her employment, or
2. The final regular hourly rate received by the employee.
3. Records of the earning, accrual, payment and use of compensatory time shall be maintained in the Payroll Department.

For further details see Procedures Memorandum VII-19 as it exists on July 1, 2005.

ARTICLE XIII NO PYRAMIDING OF OVERTIME OR PREMIUM PAY

For each hour or part thereof for which an employee is entitled to compensation pursuant to a provision of this Agreement, the employee shall be paid in accordance with the pay formula set forth in this Agreement that would entitle the employee to the greatest amount of monetary compensation, but the employee shall not be entitled to any additional compensation pursuant to any other formula set forth in this Agreement. Premium pay paid to an employee pursuant to the preceding sentence shall not be included in the employee's regular rate of pay. Any hours for which an overtime or other premium payment has been paid shall be excluded from consideration in determining whether any premium payment shall be made for any other hour or part thereof.

ARTICLE XIV SERVICE VEHICLES FOR REGULAR FULL-TIME EMPLOYEES

As deemed appropriate, the College may provide service vehicles for employees who are required to travel from one area to another to do College work. In the event the employee's vehicle is not sufficient for hauling equipment, the College will provide an appropriate vehicle. If the employee is not provided a College vehicle, the employee will be reimbursed for mileage under the College's travel reimbursement policy. Mileage from an employee's home to the work location is not reimbursable.

ARTICLE XV UNIFORMS

If the employees in this bargaining unit are required to wear uniforms, the College shall provide uniforms annually for employees. The College will purchase a heavy coat for those bargaining unit members for whom moving between College buildings and/or campuses is a significant part of their job. The determination of which employees qualify to receive coats under this Article shall be made in the sole discretion of the College. Each employee is responsible for laundry/pressing and making minor repairs, such as tears and sewing buttons, etc. If a uniform becomes damaged beyond repair

during the course of College work, it will be replaced at no cost to the employee when the damaged item is returned to the College. Normal wear will not be considered for replacement except through the annual cycle. Employees will receive an annual uniform allowance of two hundred dollars (\$200.00). The cost to the College of purchasing a heavy coat for those bargaining unit members for whom moving between College buildings and/or campuses is a significant part of their job will not be included in the standard \$200.00 uniform allowance, but the provisions regarding care, maintenance and replacement of other College provided uniform items will also apply to the coats. The College will not replace coats under this Article, except when said coat is damaged beyond repair during the course of College work, more frequently than every three (3) years. The unused balance of an employee's annual uniform allowance will not carry over to the next year. New employees will be given a uniform allowance that is pro-rated based on the time remaining in the College fiscal year, but in no event will they receive a pro-rated uniform allowance of less than \$80.00. The Employees' uniform allowance will be renewed no later than July 15 of each year. Upon separation from employment, for any reason, employees shall return all uniform items to the College.

ARTICLE XVI TOOLS

The College shall provide the tools necessary for the employees to carry out their required College duties.

ARTICLE XVII CONTRACTING OUT

The College reserves the right to procure and use contract labor and services as the needs of College business and operations may require. No employee in this bargaining unit shall, however, be laid off or terminated as a result of the College's contracting out of work.

ARTICLE XVIII SICK LEAVE FOR REGULAR FULL-TIME EMPLOYEES

Regular full-time employees accrue eight (8) hours of sick leave for each month worked. Sick leave accumulation is limited to a maximum of 880 hours (110 days.) Earned sick leave permits continuation of full pay during absence due to:

- 1 Disability caused by illness or injury of the employee including disability caused or contributed to by pregnancy, miscarriage, abortion, childbirth or leave needed for adoption;

2. The need to prevent exposure of co-workers and the public to contagious disease;
3. The need of the employee to obtain dental or medical care; or
4. The illness or injury of a member of the employee's "immediate family" defined as father, mother, dependent children or stepchildren, current spouse, and any relative living in the household of the employee.

Upon the retirement of a current employee having attained a minimum age of 60 and having achieved a minimum total point score of 70 (the sum of age attained and years of full-time service with the College), the College will pay to the employee a portion of his/her accrued unused sick leave at the employee's current daily rate, according to the following chart:

Total Point Score At Time of Retirement	Percentage Of Payout
80 or more	25%
79	24%
78	23%
77	22%
76	21%
75	20%
74	19%
73	18%
72	17%
71	16%
70	15%

EXAMPLES:

<u>AGE plus</u>	<u>LENGTH OF SERVICE</u> =	<u>PERCENTAGE OF PAYOUT</u>
60	10 years	15%
64	8 years	17%
66	20 years	25%

Upon the death of a current employee, 50% of the employee's accrued, unused sick leave will be paid to the employee's designated beneficiary. (Refer to Procedures Memorandum VI-13 as it reads on September 15, 2006).

ARTICLE XIX BEREAVEMENT LEAVE

Employees shall be entitled to Bereavement Leave in accordance with Procedures Memorandum VI-13 as it exists on September 15, 2006.

ARTICLE XX HOLIDAY SCHEDULE

Employees shall be entitled to 12 or 13 Holidays per year as designated by the Board of Governors.

ARTICLE XXI SENIORITY

For the purposes of this Agreement, "Bargaining Unit Seniority" means length of continuous service within this bargaining unit, and "Classification Seniority" means continuous length of service in the employee's present classification. For purposes of the new positions incorporated into this Agreement, "Classification Seniority" shall initially be in accordance with Appendix "B" of this Agreement.

A break in service of one year or longer shall be a break in continuous service. Such a break will negate any accumulation of years.

For purposes of measuring seniority, any part-time regular employees will be granted years of seniority proportionate to their part-time percentage (e.g. a 50% part-time regular employee will accumulate 2 years of seniority over 4 years of employment).

Subject to the following subparagraphs, Seniority shall be given consideration in scheduling vacations, in filling vacant positions within this bargaining unit, and for purposes of layoff due to lack of work and recall from such layoffs:

Vacations:

Vacations are scheduled based on the needs of the College. Employees wishing to have a tentatively secure vacation time shall, from January 1 through January 15 of each year, submit vacation requests via email to their immediate Supervisor for their 1st choice of vacation leave for no more than 10 consecutive work days. The most senior employee in a classification in each department/location shall be given their 1st choice. The process shall continue by classification seniority until all employees in a department/location have been given their 1st choice. If two or more employees request the same days at the same time, the employee with the most classification seniority will be given the time and the other employees will submit another time. The vacation request list shall be posted at the employees' department/location by January 31st.

Vacations requested during the annual bidding period (January 1 through January 15) and approved by management may be canceled based upon the needs of the College with no less than three (3) calendar months written notice to the employee.

Outside of the bidding process, vacation leave requests may be submitted to the employee's supervisor via email for any open dates, but the email must be followed up in writing via KRONOS . Such vacation requests shall be approved on a first-come, first-served basis. If two employees submit a request for the same time the employee who submitted the request first shall be given the time requested. In the event that a Supervisor simultaneously receives a vacation leave request from two or more employees for the same day(s), the employee with the most classification seniority shall be given the requested time. Once a request has been approved, no other employee shall be able to bump them from that time. Once a request has been approved it shall be the employee's responsibility to log the approved time into KRONOS.

Vacant/New Positions/Shift/Location Assignment:

All bargaining unit employees shall be notified by electronic mail of a vacant/new position/shift and/or location assignment within their classification. Once all employees within the same classification have acknowledged receipt and replied, not to exceed five (5) College working days, the bidding employee having the most Classification Seniority in the classification shall be offered the position/shift and/or location assignment if the College considers the employee best qualified to perform the duties of the position/assignment based on job performance, performance appraisals, attendance, education, the needs of the department and all other criteria the College deems significant. If no employees from the same classification as the position bid then the College may advertise the position to bargaining unit employees outside the classification, other College employees and non-employees. All decisions of the College will be final and are not subject to appeal or the grievance process.

Layoffs and Recalls:

The College reserves the right to eliminate positions through attrition and otherwise to not fill job openings throughout the term of this Agreement.

For the purpose of layoffs due to lack of work, Classification Seniority shall apply, and the employee(s) in the classification affected by the layoff having the least amount of classification seniority shall be laid off first, provided that the employees with the most seniority are capable of performing the work remaining. If employees are needed in the affected classification within one year after the date of layoff for lack of work, employees who were laid off within one year preceding the date of re-employment offer shall be offered re-employment in inverse order of layoff.

Permanent Changes to Shift and/or Location Assignment:

The College may make permanent changes to the shift location and/or the shift's normal working hours/day for any vacant position. The College will notify the

Union of any such changes. For purposes of this Article, a “permanent change” shall mean any change of more than four consecutive weeks.

The College may make a permanent change to the shift location, the shift beginning time, or the shift ending time of any non-vacant shift, subject to the following:

(1) If the permanent change to the non-vacant shift beginning time and ending time is equal to or less than one hour (e.g. a shift change from 8 a.m. - 5 p.m. is changed to 9 a.m. - 6 p.m.), within a year, the non-vacant shift shall be awarded to the current incumbent employee. The College shall give the employee two weeks notice before any permanent shift change.

(2) If the permanent change to the non-vacant shift beginning time and ending time is greater than one hour (e.g. a shift change from 8 a.m. - 5 p.m. is changed to 11 a.m. - 8 p.m.), within a year or if the permanent change to the non-vacant shift is a change of location and/or days:

(a) The incumbent employee shall first be offered the new shift. If there is more than one incumbent employee in that shift and location, the new shift shall be bid amongst all incumbent employees in accordance with this Article.

(b) If the current incumbent employee(s) refuse the permanently changed shift, the position shall be opened to bidding in accordance with this Article. If no qualified employee bids for the permanently changed shift, the permanently changed shift shall be awarded to the qualified employee at the location with the least classification seniority in the same classification as the changed shift.
