

Complete your Bachelor's Degree by transferring to Doane University

On track to finishing your Associate's Degree and considering your next steps? **Metropolitan Community College** and **Doane University** have a partnership that can help you on the path to completing an affordable Bachelor's Degree at Doane's Crete or Lincoln campuses, or online.

What's the deal?

For a **MCC** student who transitions to an undergraduate program taught on **Doane's** Lincoln campus or online, **Doane** will:

- Provide early advising and orientation programs exclusively for transfer students
- Reduce tuition 15% for a **MCC** student on a per-credit hour basis for two and a half years (while the student remains continuously enrolled in a **Doane** undergraduate degree program.)

For a **MCC** student who transitions to an undergraduate program taught on **Doane's** Crete (residential) campus, **Doane** will:

- Provide early advising and orientation programs exclusively for transfer students
- Provide an annual \$20,000 exclusive **MCC** partnership grant (which replaces any eligible academic scholarships) to a **MCC** student for four semesters assuming consecutive and continued enrollment toward an undergraduate degree from **Doane**. **MCC** students may be eligible for other financial support based on FAFSA information.

Who is eligible?

Students interested in transferring to **Doane** can do so at any point, however, this partnership is only applicable to students new to **Doane** who have completed an associate-level degree from **MCC** anytime after 2018. This agreement only applies to a student who has never taken a course from **Doane**.

Doane will accept college-level academic credits for a **MCC** student in good academic standing for articulated programs of study, subject to:

- Students will receive academic credit for transferable college level courses without regard to instructional modality, including online courses and programs, Dual Enrollment credits and Early College High School credits.
- Equivalent courses need to be completed with a grade of "C" or better.
- Remedial/developmental coursework will not be included for transfer.

A **MCC** student enrolling at **Doane** under this agreement will be required to meet all program of study and academic standing requirements as specified by **Doane**.
