

MCC to University

The steps outlined below will help you design a personal plan from MCC to your bachelor's degree. Use this checklist to track your successful transfer to your chosen university!

Year 1: Before you Begin at MCC

- Choose a Path.** Think about your interests, aptitudes, and career goals. The better you know yourself, the more likely you are to find the right college for your transfer.

Quarter 1 at MCC

- Make a Plan.** Meet with your MCC Navigator to make an academic plan for transfer and verify your program of study and career goals.
- Start Your Research.** Begin to check out transfer options and learn more about university majors that connect to your career interests.
- Attend Career Exploration Events.** All events are located in the Canvas Help section within the Academic Focus Area – Transfer.

Quarters 2 and 3 at MCC

- Visit with MCC Transfer Center.** Continue your research by meeting with university representatives and attending transfer events to learn more about what school is right for you. [Visit the Transfer Center](http://www.mccneb.edu/Current-Students/Transfer-Center) (www.mccneb.edu/Current-Students/Transfer-Center)
- Connect with MCC Faculty.** Talk with faculty members in your program of study about your career field. They are experts!
- Connect with an Advisor from Your Transfer University.** Meet with an advisor from your chosen transfer university to receive guidance on your pathway.
- Monitor and Revise Academic Plan as Needed.** Continue to update your plan to ensure your pathway is as smooth as possible.
- Attend Career Exploration Events.** All events are located in the Canvas Help section within the Academic Focus Area – Transfer.

Year 2 at MCC

- Connect with MCC Faculty.** Continue to discuss your program of study and career opportunities with MCC faculty.
- Renew your FAFSA and Financial Aid Information.** FAFSA opens October 1st. Be sure to apply early and list MCC and your transfer university. Contact Financial Aid with questions.
- Make Sure You Are on Track.** Meet with your MCC advisor and reach out to the advisor at your transfer university.
- Time to Apply.** Don't wait! Apply to your chosen transfer university.
- Enroll at the Transfer University.** Meet with your university advisor to make a plan to finish your bachelor's degree.
- File for Graduation at MCC.** Congratulations! Your MCC Advisor can help you file for graduation.
- Submit your Official Transcripts.** Don't forget to submit official transcripts to your transfer university.
