

Transfer Guide: MCC Business Transfer (BSTAA) to NWU Business-related degrees

This Pathway is designed to help students earning an Associate of Arts degree in Business Transfer (BSTAA) transfer into most business-related majors at Nebraska Wesleyan University. Students who follow this pathway are in position to complete a Bachelor of Science degree in two years (four full-time semesters). This pathway prepares students for the following majors:

- Business Administration
- Business-Sociology
- Economics
- Sport Management

Some guidelines for this Pathway:

- MCC Courses must have grades of C or better to transfer.
- Students making satisfactory progress after transferring, and who follow their course plan, can graduate in two years at NWU.
- Students with NWU GPAs at or above 3.25 can take dual BS/MBA courses for a head start on their Master of Business Administration degree.

General Transfer Policies:

- MCC Courses with numbers below 1000 will not transfer.
- Students who follow this pathway will transfer a total of 94.5 quarter credit hours, which is equivalent to 63 semester credit hours at NWU.
 - NWU can transfer a maximum of 96 quarter credit hours (64 semester credit hours) from community colleges.
 - 4.5 quarter credits transfer as 3 semester credit hours; 6 quarter credit hours transfer as 4 semester credit hours.
- Students must complete a minimum of 126 semester credit hours to earn a bachelor's degree from NWU. Transferrable courses which do not meet degree requirements (aka "elective credits") still count toward this 126 and are marked on the pathway as "credit toward graduation."
- Sometimes students have a choice between courses in this pathway. Students should consult with their MCC advisor or NWU admissions counselor for course recommendations, especially when considering possible minors or additional majors.

For more information on this transfer pathway, please contact:
