

Transfer Guide: MCC Computer Technology Transfer – Management Information Systems (CTMAS) to UNO Bachelor of Science in Management Information Systems(Fall 2022)

This degree provides students with the dual option of seeking entry-level programming positions and/or continuing their studies at a four-year institution.

Every effort has been made to provide accurate information on suggested courses; however, it is the student's responsibility to consult with the institution they are planning to transfer to ensure courses fit into their intended plan of study. For students planning to transfer to UNO – College of Information Science and Technology, the below information and additional course options can also be viewed on Transferology.com under UNO Pathways. For additional information, please contact the MCC Transfer Center.
