

High School Tuition Waiver Fact Sheet

What

Tuition and facility fee will be offered to **current** High School students at **no cost** beginning with the 2022-2023 academic year. All other course fees, equipment and textbooks are the responsibility of the student or as designated. Tuition for dual enrolled students will be paid for by federal funding directed by the State.

When

Tuition and facility fee will be waived beginning with the **2022-2023 academic year** and ending with the 2024-2025 academic year.

Who

Current 9 – 12th grade Nebraska high school students, including homeschool, pending any program specific requirements. Students in 9th grade become eligible for the tuition waiver in MCC's Fall quarter.

How

Secondary Partnerships [webpages](#) are updated with relevant information related to the tuition waiver. Each program page provides eligibility, application and registration details.

FREQUENTY ASKED QUESTIONS

Q: Are ALL Nebraska HS students eligible?

A. Yes, pending any program specific requirements.

- CollegeNow & KSOI: Yes
- Career Academy: Application and acceptance required.
- Gateway to College: Application and approval by school district.
- Concurrent Enrollment: limited to offerings available at individual High School.

Q. Is the full tuition and \$5 per credit hour facility fee waived?

A. Yes.

Q. Can a student take unlimited courses?

A. Students should only enroll in the number of courses that they can successfully complete. Career Academy and Gateway to College courses are predetermined by program.

Q. If a student wants to repeat a course that they previously attempted but received a D or F, are they still eligible to retake at no cost?

A. Yes

Q. If a student fails a course are they responsible for paying back the cost of tuition and facility fee?

A. No

Q. If a student drops a course after Census Date, are they responsible for paying back the cost of tuition and fees?

A. No

Q. Can students register for classes without speaking to an MCC representative or Counselor?

A: CollegeNow!: Yes, through the Contact Center if they are a new student, through Self-Service if a returning student, or through a Dual Enrollment Navigator.

A: KSOI, Concurrent Enrollment, Gateway to College and Career Academy require the student to follow the registration processes detailed on the program webpages.

Q. When will charges be removed from student's accounts?

A. Charges will stay on Nebraska high school students accounts until shortly after registration.

Q. How does a student order textbooks?

A. Students enrolled in KSOI, Career Academy or CollegeNow! can order textbooks following [these directions](#). Gateway to College and Concurrent Enrollment textbooks are supplied through the program or district.

Q. My student needs tools and materials for Career Academy courses. Will this be covered?

A. No. Course associated supplies/tools are the responsibility of the student.

Q. My student is a current Gateway to College student. Will tuition/enrollment be covered for them moving forward?

A. Yes, starting the 22/FA quarter, any student who began GtC prior to the semester will only pay the \$875 enrollment fee.
