Your Rights Under USERRA (Uniformed Services Employment and Reemployment Rights Act)

USERRA protects the job rights of individuals who voluntarily or involuntarily leave employment positions to undertake military service or to perform certain types of service in the National Disaster Medical System. USERRA also prohibits employers from discriminating against past and present members of the uniformed services and applicants to the uniformed services.

The links below to the Department of Labor website provide additional information and the full notice of the rights, benefits, and obligations under USERRA. Please take some time to familiarize yourself with these rights. If you have any questions regarding USERRA, please contact Sue Clark (457-2234) in Human Resources.
