

10505 Open and Closed Sessions of Board Meetings

All meetings of the Board shall be conducted in open session except that the Board may meet in closed session to consider certain matters as provided for by the Nebraska Open Meeting Law. All votes of the Board shall be made in open session. (Amended 9/22/92)

For the protection of the College, students, staff, and the general public, the Nebraska Legislature has determined that certain topics may be discussed in closed session.

Any member who feels that the Board is transgressing this law will so notify the other members before making a public accusation. Absent questions of legality, the Board recognizes that the public good requires the maintenance of absolute secrecy regarding matters discussed in closed session. If any Board members cannot commit themselves to respect the integrity of any given closed session or portion thereof, they will absent themselves from such session.
