

## **10702 Commitment to Diversity Management**

- (A) The Board of Governors is committed to equal opportunity for every individual, diversity, and respect for civil rights. Therefore, the President shall take all actions necessary or appropriate to promote a culture at the College which values diversity by creating an environment which:
- (1) Recognizes that the College and the area it serves is a community made up of diverse people and cultures;
  - (2) Demonstrates appreciation for the differences between individuals and cultures;
  - (3) Promotes, encourages and fosters diversity;
  - (4) Empowers and encourages students, faculty and staff to become contributing members of an increasingly multi-cultural and diverse society; and
  - (5) Nurtures the sensitivity and mutual respect fundamental to the understanding and appreciation of the diversity in our society.
- (B) The Board of Governors and the President shall appoint individual(s) who shall promote and supervise diversity management and programming for the College.
