2017/18 Annual Data Notebook

Enrollment (data is based on the section census date)

Credit courses are courses that apply to a degree, certificate, or specialist diploma awarded by Metropolitan Community College or meet prerequisites for college level classes. (Credit for developmental courses does not apply toward a degree, but satisfies prerequisites for courses in degree programs.)
Noncredit refers to programs and courses that are not awarded college academic credit.

Unduplicated Headcount (by term) counts each student only once during the term. If a student enrolled in more than one term during the year they are counted for each term they are enrolled.

Duplicated Headcount counts each student for every course taken. Seatcount is a term also associated with duplicated headcount.
