Emergency Medical Assistant course offered this winter at MCC

OMAHA, Neb. — Area residents will be given the chance to improve their safety and medical knowledge as Metropolitan Community College will be offering an Emergency Medical Assistant course this Winter quarter. The class will be held on Tuesdays and Thursdays from 8:30 a.m. to 4:30 p.m., starting Dec. 3, running until Feb. 26 at MCC's Fremont Area Center, northwest corner of 9th and Broad streets.

At the conclusion of the course, students will be prepared to take the National Registry written examination and become nationally certified.

For more information, call Craig Jacobus at 402-317-3004 or visit mccneb.edu.

###

Metropolitan Community College, accredited by the Higher Learning Commission, is a comprehensive, public community college that offers affordable, quality education to all residents of Dodge, Douglas, Sarpy and Washington counties. Founded in 1974, MCC has the largest enrollment out of six community colleges in Nebraska and is the second largest postsecondary institution in the state. MCC serves more than 40,000 unique credit and noncredit students.
