### **MCC Health and Public Services open house to give students glimpse of programs**

OMAHA, Neb. — Metropolitan Community College's Health and Public Services will host an open house on Saturday, Nov. 14, 10 a.m.–1 p.m., in the Mahoney Building commons area at the College's South Omaha Campus, 27<sup>th</sup> and Q streets, and in room 307 at MCC's Elkhorn Valley Campus, 204<sup>th</sup> and West Dodge Road. The open house will give potential students the opportunity to explore the different programs offered and connect with some program leaders.

"The open house is a great opportunity for students to see some of the programs that are available to them," said Stacey Ocander, dean of health and public services. "Healthcare and public service fields are growing and the programs offered at MCC can get students on the path toward future success."
