Processing your commemorative order

For more than 40 years, Metropolitan Community College has paved the way for students to connect to careers, explore interests and master trades.

MCC has made historic investments in new campus facilities. There may be no better time to recognize and pay tribute to a cherished friend, colleague, MCC graduate or family member.

The Brick Walkways and Benches provide the campus with beautiful, open greenspace and plenty of outdoor seating. For students, faculty and visitors alike, the outdoor areas serve as a place for solitary study and reflection or as an informal gathering place for coffee and conversation.

For a limited time, the community may purchase a custom-engraved brick or a bench plaque to serve as a lasting tribute.

Orders will be processed and placed in accordance with the timelines for the Fort Omaha Campus expansion project.
