

Convert Files to PDF with CutePDF Writer

1. Open your saved file.
2. Select FILE—PRINT from the menu.
3. Select **CutePDF Writer** from the Printer drop-down list.

4. Click **OK** to print.
5. In the **Save As** window, select a folder location to save the PDF (like your U drive).

6. Type a **File name** for your PDF.
7. Click **Open**.
8. Your PDF will be saved in the folder you selected.
