

Bachelor of Science Degree in Community Health: Community-Based Track MCC to Clarkson College Option

METROPOLITAN
Community College

Clarkson College has a signed articulation agreement with Metropolitan Community College (MCC). Students who complete an approved associate degree at MCC are guaranteed general admission into a corresponding baccalaureate degree program at Clarkson College.

By completing the Liberal Arts Associate in Arts (LATAA), Liberal Arts Associate in Science (LATAS), Human Services Transfer Associate (HSTAA), or General Health Studies Associate in Applied Science (GHAAS) degrees at MCC, students transfer 60 semester hours as a direct transfer package into the Bachelor of Science in Community Health degree at Clarkson College. The following degree plan outlines the courses needed to complete this degree. The Bachelor of Science in Community Health degree may be completed in as little as four semesters.

Preferred courses completed at MCC as part of the LATAA, LATAS, HSTAA, or GHAAS degrees.
