

**Associate in Science Degree in Nursing (ASNAS)  
Bachelor of Science in Nursing RN to BSN Guide**

MCC's Associate in Science in Nursing (ASNAS) program has special admission requirements. For further information, contact an MCC Students Services office or visit <https://mccneb.edu/healthcareers>. This program is approved by the Nebraska Board of Nursing and is accredited by the National League for Accrediting Commission.

Every effort has been made to provide accurate information on suggested courses, however it is the student's responsibility to consult with the institution they are planning to transfer to ensure courses fit into their intended plan of study. For additional information on course by course equivalencies please contact the MCC Transfer Center.

**Total credit hours – 99.0**
