

Information Technology – Cyber Security (ITCSO)
Associate in Applied Science
To Bachelor of Science in Information Technology – Security Technology at Herzing University

This guide lists MCC courses that meet the requirements for an ITCSO associate of applied science degree and prepare the student to transfer into the BS Information Technology – Security Technology at Herzing University. Every effort has been made to insure accuracy however, students should meet with an MCC advisor at least twice a year to review requirements for their intended degree. Herzing University may have more specific requirements. Students intending to transfer should also speak with a Herzing advisor to insure the optimal number of credits transfer. Only Courses with a grade of C or better will transfer and students must have a minimum overall grade point average of 2.5 or higher. For more information on this agreement please visit mccneb.edu/articulation.
