MCC’s Career Academy program is designed to provide high school juniors and seniors with opportunities to jumpstart their postsecondary education. MCC Career Academies increase student knowledge in various career fields prior to high school graduation, so more informed career choices can be made. Through a MCC Career Academy, students gain practical skills for specific career areas, knowledge of safety procedures, job-seeking skills, interpersonal skills for the workplace, and exposure to a college environment.

**ELIGIBILITY REQUIREMENTS:**
- Must be a high school junior or senior
- Must be 16 years old and meet any criteria listed in program description
- Must have transportation to and from classes and internship/apprenticeship site
- Must complete an application and be selected to participate

**LENGTH OF PROGRAM:**
Students begin the program in their junior or senior year, starting in the fall. Most Career Academy programs are one year in length and provide students with a solid foundation in each area of interest.

Students may wish to take additional MCC courses, CollegeNOW!, which apply towards a certificate or an associate’s degree. Visit our website mccneb.edu/secondary-partnerships for more information about our CollegeNOW! program and/or MCC Career Academies.

**TIME OF DAY:**
Students are expected to commit one-half of each school day to the Career Academy, from approximately 1:00 p.m. to 3:00 p.m. Specific program class times are listed on the program information page.

MCC reserves the right to cancel or modify courses.

**COLLEGE AND HIGH SCHOOL CREDIT:**
MCC credit is granted for the courses students successfully complete in the MCC Career Academy. Each high school/district determines whether or not high school credit is also awarded for the Career Academy course work. For information about transferring course credit to other higher education institutions, it is best to contact the institution that will receive the credit. Visit MCC’s webpage, www.mccneb.edu/articulation for additional information.

**COURSE CAPACITY:**
Course capacities range from 10 to 22 students per program. Space is limited due to the number of workstations, room size, and equipment.

**CURRICULUM:**
Specific entry-level courses are determined by MCC faculty, secondary school officials, and business partners. Based on classes taken, students complete between 10 - 36 credit hours of college-level coursework per year. Refer to the program section to view courses for individual academy.

****ALL STUDENTS IN ALL ACADEMIES MUST MAINTAIN A 2.0 GPA (C or better) TO CONTINUE IN THE ACADEMY QUARTER TO QUARTER.****
GRADES:
Grades for each college course are derived using the criteria identified in the course syllabus developed by the faculty. Students receive a course syllabus at the beginning of each class. The MCC academic calendar is quarter based, and the high schools are semester based. Since MCC quarters start and end dates do not coincide with the high school semester start and end dates, for a short period of time your student’s MCC grade on his/her high school report card may reflect NG (no grade). MCC grades are assigned when the quarter ends and are reported to the high schools at that time. The high school will report the MCC grade when available.

Students must abide by the MCC Calendar. This has special meaning for seniors since they may have to continue attending classes beyond their graduation date or beyond their last day of class at their high school.

INSTRUCTOR ABSENCES:
In the event of an instructor’s absence, MCC will attempt to hire a substitute instructor. If a substitute instructor is unable to fill-in, then class will be cancelled. An attempt will be made to notify each individual student through their MCC email of the cancellation.

REGISTRATION:
In April, students selected for the Career Academy will receive an acceptance letter. Included with the acceptance letter will be the student registration form and Career Academy orientation information.

Students may be registered into courses with MCC students who are not high school students.

FERPA:
Students who wish to grant parental, spouse, or 3rd party access to their educational records may do so by submitting an Authorization to Release Student Information Form to the Records Office. Students will have access to the online form once they are registered for classes.
TUITION, BOOKS, AND FEES

TUITION PAYMENT:
Students are responsible for payment of all tuition and fees unless other arrangements are made by the school district or an outside agency. Tuition for the 2020-2021 year has not been set. Tuition for the 2019 – 2020 academic year was $37 per credit hour (this cost is ½ of the standard MCC tuition rate of $64.* per credit hour = $32, plus $5.00 facility fee = $37).

Information about registration and payment procedures are included with the acceptance letter. Tuition is due prior to the start of each MCC quarter. (20/FA = Fall, 20/WI = Winter, 20/SP = Spring)

* Please note - Tuition is based on the rate for the 2019-2020 academic year for Nebraska residents. MCC’s tuition and fees schedule is subject to change without prior notice and at the discretion of the MCC Board of Governors.

BOOKS:
Students will purchase their textbooks. Bookstores are located at MCC’s Elkhorn, Fort, Sarpy and South campuses.

TOOLS & EQUIPMENT:
MCC provides, on loan, most of the appropriate equipment and tools. Specific programs require students to purchase T-shirts, work boots, safety glasses, and certain tools. Instructors will inform students during the first week of class if additional tools or supplies are needed. Students are financially responsible for lost or broken tools and equipment.

STUDENT RESPONSIBILITIES

ATTENDANCE:
Students are expected to abide by the Metropolitan Community College (MCC) Career Academy calendar which follows the traditional MCC schedule. If your high school is closed due to the high school scheduled holiday/break or inclement weather, as an MCC student, you are still expected to attend your MCC class.

Class attendance is taken daily. All absences and tardies are reported to the student’s high school. See your instructor’s syllabus for specific attendance requirements. Attendance policies vary by each program. Absences above the allowed days may result in failure of the class and being dropped from the Academy. Any missed classroom activities remain the responsibility of the student.

NOTE: Non-attendance does not equal a withdrawal or relieve you from your obligation to pay.

CONFIDENTIALITY:
A level of privacy exists in each career field. What students see in customers’ homes/automobiles/documents should remain confidential. A student who observes something questionable in class or at the worksite should discuss the matter with the internship supervisor immediately.

DRESS CODE:
Each Career Academy program has an established dress code. Students must follow the code as stated by the instructor, as well as by what is dictated by professional safety standards. In some programs, specific protective gear may be required. Individual classes and/or business sites may have dress codes by which students must abide.

INCLEMENT WEATHER:
On days when the weather is questionable, students should check MCC Website—mccneb.edu, local radio and television stations, or call the MCC Weather Hotline at 531-622-2499. If MCC is closed, the Career Academy classes will be cancelled.

TRANSPORTATION:
Students must provide their own transportation to the appropriate MCC campus or center.
DISABILITY SUPPORT SERVICES

MCC values the differences and commonalities of its members. Through its day to day operations and interactions, MCC demonstrates an appreciation for differences while striving to maintain the common focus of delivering a quality education for all students. MCC embraces its responsibility to promote, encourage, and foster diversity.

DELIVERY OF SERVICES

DISCLOSURE / ELIGIBILITY:
Students who request services or accommodations must disclose the nature of their disabling condition and provide documentation of disability to the campus Disability Support Services (DSS) counselor. Student accommodations at the high school do not automatically transfer to MCC. This disclosure is considered confidential, and is released to other MCC employees with the consent of the student on a “need to know” basis. There are limits to the confidentiality of student records as outlined in the College’s “Student Rights (Buckley/FERPA Amendment)” document.

REQUEST FOR ACCOMMODATIONS / ADEQUATE NOTICE:
Since some accommodations require more time to coordinate, students are asked to request services as soon as they register for classes and to register as early as possible. Delivery timelines for specific accommodations are available. Every effort is made to provide services, no matter when requested. Students should note that without sufficient written notice of request, timely provision of services may be delayed or denied.

At the time of request, the student and DSS Counselor will discuss the disability and services requested. Documentation will be requested and evaluated to ensure the appropriateness of the accommodations.

DOCUMENTATION OF DISABILITY:
Documentation may be hand delivered to the DSS Counselor by the student or requested via a consent form by the DSS Counselor. Current (within the past 3 years) documentation is preferred, and may be required by the DSS Counselor.

Documentation should describe the disability, how it may impact the student’s academic performance, and suggest appropriate educational accommodations. The diagnostician must be a qualified professional with credentials that qualify her/him to diagnose the disability and suggest appropriate accommodations.

TEMPORARY ACCOMMODATIONS:
Temporary accommodations may be provided during the time it takes to acquire appropriate documentation of disability. These temporary accommodations may be discontinued if supporting documentation is not received within 90 days.

*If you need accommodations while attending MCC, you must contact a DSS Counselor. DSS Counselors are available at four of MCC’s campuses. Accommodations do not transfer from high schools to MCC.
