2022-23 KICKSTART ONLINE INSTITUTE

Kickstart your college degree while in high school. Visit mccneb.edu/ksoi to learn more about 15-week online college courses offered by MCC.

- Get a head start on earning college-level credits while in high school
- Cost of course tuition is waived
- Most courses count toward MCC degrees
- Courses may transfer to many four-year institutions (check with a college before assuming transferability)
- KSOI classes are led by NDE-certified MCC instructors

Fall semester course dates: Aug. 22-Dec. 9, 2022 (Break: Nov. 21-25)

BSAD 1000 (Introduction to Business)

Students learn core concepts and common practices in the business environment.

ECON 1000 (Macroeconomics)

Students study the concepts of macroeconomics such as GDP, inflation, unemployment, labor and international trade.

ENGL 1010 (Composition I)

Students develop rhetorical knowledge; practice critical reading, thinking and writing; and use a writing process to draft, revise and edit texts. Prerequisite required. See catalog for more information.

FINA 1000 (Financial Literacy)

This course reviews the most critical financial literacy concepts needed by consumers in today's marketplace.

HIMS 1111 (Healthcare Careers)

This course provides an overview of the healthcare field.

HIMS 1120 (Med Term I)

This course emphasizes understanding of the medical vocabulary and establishes a solid foundation of medical terms and symbols, prefixes, suffixes, word roots and abbreviations.

HIST 1010 (US History I)

This course is a survey of American history from discovery through the Civil War and reconstruction.

HMRL 1010 (Human Relations)

This is an introductory course in interpersonal skills, stressing the importance of utilizing those skills in the workplace.

INFO 1001 (Information Systems & Literacy)

This course is designed to illustrate what it means to be digitally literate and includes topics such as hardware, software, operating systems, peripherals and troubleshooting.

MATH 1315 (College Algebra)

This course extends algebra skills and provides the background necessary for further mathematics courses. Prerequisite required. See catalog for more information.

MATH 1425 (Pre-Calc Algebra)

Students will learn advanced algebra topics that include rational expressions. Prerequisite required. See catalog for more information.

MATH 2410 (Analytical Geometry & Calculus I)

This course covers the mathematical tools used to analyze the continuous rate of change between variables. It reviews some principles of pre-calculus and investigates limits, differentiation and integration. Prerequisite required. See catalog for more information.

PSYC 1010 (Introduction to Psych)

This course provides a survey of the major themes in psychology and explores applications for daily living.

SOCI 1010 (Intro to Sociology)

This course is an introduction to the scientific study of society and human social behavior.

Spring semester course dates: Jan. 17–May 5, 2023 (Break: Feb. 27–March 3)

ECON 1100 (Microeconomics)

Students examine the theory and application of the four market structures; pure competition, monopolistic competition, oligopoly and monopoly.

ENGL 1020 (Composition II)

Students build English skills by becoming better critical readers, researchers and writers. Passing grade in Composition I is a prerequisite.

GEOG 1050 (Human Geography)

This course provides spatial, cultural and ecological perspective on the human occupancy of the earth.

HIMS 1130 (Med Term II)

This course builds on HIMS 1120 to present additional body systems, specialty medical areas, clinical procedures, medical terms and abbreviations. Passing grade in HIMS 1120 is a prerequisite.

HIMS 1150 (Intro to Med Law and Ethics)

This course gives a foundation in the federal and state laws of the medical profession and ethical issues associated with working in a healthcare setting.

HIST 1020 (US History II)

This course is a survey of American history from the end of the Civil War to the present.

HMRL 1010 (Human Relations)

This is an introductory course in interpersonal skills, stressing the importance of utilizing those skills in the workplace.

INFO 2100 (Organizations, Applications & Technology)

Students are introduced to organizations and the role that information systems play in supporting an organizations operation, decision-making processes and quality management.

MATH 1410 (Statistics)

This course requires students to develop a critical and functional understanding of data. Software and calculators are used as appropriate. Passing grade in MATH 1315, or placement test, required.

PSYC 1120 (Human Growth and Development)

Students study the stages of the human life span: prenatal, infancy, toddlerhood, middle childhood, adolescence, adulthood and gerontology.

SOCI 1010 (Introduction to Sociology)

This course is an introduction to the scientific study of society and human social behavior.

COMS 1110 (Public Speaking)

This course provides both theoretical basis and practical instruction for speaking effectively in public. Students are required to record speech assignments in front of an audience of four to five individuals.

REQUIRED MATERIALS AND COST:

MCC KSOI courses are offered at no tuition cost. Students must purchase required textbooks, which vary in cost, and also have access to an internet connection and computer.

FORMAT:

Students will access their courses using the CANVAS platform. Completing the online CANVAS orientation is required before the start of the course.

REGISTRATION DEADLINES:

First semester (2022): Aug. 17, 2022

Second semester (2023): Jan. 11, 2023

Seats are limited. Students are encouraged to register early, as courses fill quickly. Enrollment is on a first-come, first-served basis.

REGISTRATION:

Students can register for the class by completing the Kickstart Online Institute registration form and sending to:

Metropolitan Community College
Secondary Partnerships
P.O. Box 3777, Omaha, NE 68103

The form can also be emailed to secondarypartnerships@mccneb.edu.

ONLINE INFORMATION:

The registration form, payment, instructions and more information can be found at mccneb.edu/KSOI.

For more information, call 531-MCC-2213 or visit mccneb.edu/secondarypartnerships.
