

MISSION ACHIEVEMENT PLAN (MAP)

FY 2025-26

MISSION:

MCC will deliver relevant, student-centered education to a diverse community of learners.

ONE MCC VISION:

One MCC is a concept that fosters an optimal experience for both employees and students. It is a vision for unifying our services and systems to create seamless practices – making success the default for working and learning at MCC.

DESIRED OUTCOMES FOR STUDENTS:

- Timely program completion
- Transfer to four-year programs
- Relevant living wage jobs

PRIORITY 1: STUDENT SUCCESS

Plan and execute on student success initiatives to remove barriers and help all students persist to completion.

- Streamline and simplify student onboarding processes.
- Provide accessible, seamless and comprehensive academic and pathway support.

PRIORITY 2: PARTNERSHIPS AND PROGRAMS

Engage the community, students, faculty and staff through strong and sustainable partnerships, programs and growth opportunities.

- Evaluate current programs to create and support a noncredit-to-credit continuum.
- Streamline and simplify strategies for managing new and existing partnerships.

PRIORITY 3: OPERATIONAL EXCELLENCE

Focus on internal operations and infrastructure to support the success of students, faculty and staff.

- Revitalize and modernize business systems, infrastructure and processes.
- Enhance the culture of teaching and learning amongst all employees.

PRIORITY 4: FUTURE STABILITY AND GROWTH

Plan for future stability and growth to ensure the institution fulfills its mission to students and the community.

- Implement key activities and measures from the Strategic Enrollment Plan with a focus on high-impact activity.
- Identify and make progress toward key priorities from the Facilities Long Range Plan.
