

Prior Learning Assessment Portfolio – Course Objective Alignment

Student's Name:

Course in Challenge:

To the student: Complete this document for each course objective to demonstrate how learning outside the traditional classroom aligns with the course objectives for the course being challenged.

COURSE OBJECTIVES	ALIGNMENT TO COURSE OBJECTIVES	DOCUMENTATION (EVIDENCE OF EXPERIENCE)
List all course objectives as per the current course outline.	• Identify your learning experience(s) that align with each course objective. See the Portfolio Guidelines Document for examples of experiences. • State the amount of time spent on each. • Provide a clear description of responsibilities and tasks. • Describe how the learning experience(s) align with the course objective listed.	List the documentation you will provide that demonstrates learning related to the course objective listed.
